### **Forward Looking Statements**

This press release contains certain "forward-looking statements" within the meaning of the federal securities laws. These statements can be identified by the use of words or phrases such as "believes," "estimates," "expects," "intends," "anticipates," "projects," "plans to," "will," "should" and variations of these words or similar words. These forward-looking statements may include statements regarding SAE's financial condition, results of operations and business and SAE's expectations or beliefs concerning future periods. These statements are subject to risks and uncertainties which may cause actual results to differ materially from those stated in this release. These risks and uncertainties include fluctuations in the levels of exploration and development activity in the oil and gas industry, intense industry competition, a limited number of customers, the need to manage rapid growth, delays, reductions or cancellations of service contracts, operational disruptions due to seasonality, weather and other external factors, crew productivity, the availability of capital resources, substantial international business exposing SAE to currency fluctuations and global factors including economic, political and military uncertainties, the need to comply with diverse and complex laws and regulations, and other risks incorporated by reference to SAE's filings with the Securities and Exchange Commission. Certain risks and uncertainties related to SAE's business are or will be described in greater detail in SAE's filings with the Securities and Exchange Commission. The information set forth herein should be read in light of such risks. Except as required by applicable law, SAE is not under any obligation to, and expressly disclaims any obligation to, update or alter its forward-looking statements, whether as a result of new information, future events, changes in assumptions or otherwise.
